|                               |                                                                              |
|-------------------------------|------------------------------------------------------------------------------|
| Model Number                  | <b>DAC-50S</b>                                                               |
| Product                       | <b>SDI to Analogue Converter</b>                                             |
| <b>Configuration</b>          |                                                                              |
| Conversion                    | 3G/HD/SD-SDI to Analog Down Converter                                        |
| Video Inputs                  | 1x 3G/HD/SD-SDI                                                              |
| Loop Through                  | Yes                                                                          |
| Video Outputs                 | YUV + Composite or Y/C + 2x Composite                                        |
| Audio Inputs                  | 1x SDI Audio embedded                                                        |
| Audio Input Impedance         |                                                                              |
| Audio Outputs                 | 2x RCA (Stereo Pair)                                                         |
| Audio Output Impedance        |                                                                              |
| Audio Format Selection        | ----                                                                         |
| Audio Gain                    | ----                                                                         |
| Supported Video Input Formats | 1080p (50/59.94Hz) ,<br>1080i (50/59.94Hz),<br>720p (50/59.94Hz), 576i, 480i |

|                           |                                     |
|---------------------------|-------------------------------------|
| Output Resolutions        | 576i, 480i                          |
| Equalizer                 | Yes                                 |
| Reclock                   | Yes                                 |
| SDI Cable Drive           | ----                                |
| Updates and Configuration | Mini USB x 1                        |
| Dimension (LxWxH)         | 112 x 85 x 45 mm                    |
| Weight                    | 0.5 kg                              |
| Operating Temp. Range     | 0~40 °C                             |
| Power                     | DC 12V, 6W                          |
| What's in the Box         | 1 x DAC-50S<br>1 x AD Switch DC 12V |
