| Video Input       | 1x HDMI                                                                                                                                                                                                                                                     |
| Video Output      | 4x HDMI                                                                                                                                                                                                                                                     |
| Audio Input       | Embedded Digital Audio (2 CH)                                                                                                                                                                                                                               |
| Audio Output      | 1x Stereo RCA (L/R)                                                                                                                                                                                                                                         |
| Control Interface | Mini-USB type A, RJ-45 port                                                                                                                                                                                                                                 |
| Software Upgrade  | Mini-USB type A, RJ-45 port                                                                                                                                                                                                                                 |
| Power             | 12V 18W                                                                                                                                                                                                                                                     |
| Dimension (LxWxH) | 484 x 249 x 49 mm                                                                                                                                                                                                                                           |

|                       |                                                                                                                             |
|-----------------------|-----------------------------------------------------------------------------------------------------------------------------|
| Weight                | 2.5 kg                                                                                                                      |
| Operating Temp. Range | 0~40 °C                                                                                                                     |
| What's in the Box     | 1 x TWP-10 Main Unit<br>1 x DC 12V power adaptor<br>1 x RCA(M) to 3.5mm PhoneJack(F)<br>1 x Mini-USB cable<br>4 x Screws M5 |
