|------------------------|---------------------------------------------------------------------------------------------------------------------|
| Número de modelo       | <b>DAC-91</b>                                                                                                       |
| Product                | <b>Embebedor de audio</b>                                                                                           |
| <b>Configuration</b>   |                                                                                                                     |
| Conversion             | Audio Embedder                                                                                                      |
| Video Inputs           | 3G/HD/SD-SDI x 1                                                                                                    |
| Loop Through           | ----                                                                                                                |
| Video Outputs          | 3G/HD/SD-SDI x 2                                                                                                    |
| Audio Inputs           | Mini XLR (balanced) x 2 ,RCA (unbalanced) x 2<br>* Mini XLR1 & RCA1 mixed to CH1<br>* Mini XLR2 & RCA2 mixed to CH2 |
| Audio Input Impedance  | RCA 20K $\Omega$ , XLR 42K $\Omega$                                                                                 |
| Audio Outputs          | ----                                                                                                                |
| Audio Output Impedance | 50 $\Omega$                                                                                                         |
| Audio Format Selection | SMPTE, EBU                                                                                                          |
| Audio Gain             | Yes                                                                                                                 |

|                               |                                                                                |
|-------------------------------|--------------------------------------------------------------------------------|
| Supported Video Input Formats | ----                                                                           |
| Output Resolutions            | ----                                                                           |
| Equalizer                     | ----                                                                           |
| Reclock                       | ----                                                                           |
| SDI Cable Drive               | ----                                                                           |
| Updates and Configuration     | Mini USB x 1                                                                   |
| Dimension (LxWxH)             | 112 x 85 x 45 mm                                                               |
| Weight                        | 0.4 kg                                                                         |
| Operating Temp. Range         | 0~40 °C                                                                        |
| Power                         | DC 12V, 0.5A                                                                   |
| What's in the Box             | 1 x DAC-91 product<br>1 x AD Switch DC 12V<br>2 x Mini XLR to female XLR cable |
